

Bureau of Land Management, Interior

§ 2562.3

manage the land without the protection of the United States and the conveyance provides for a continuance of such restrictions.

(b) Application by an allottee or his heirs for approval to convey title to land allotted under the Allotment Act shall be filed with the appropriate officer of the Bureau of Indian Affairs.

Subpart 2562—Trade and Manufacturing Sites

AUTHORITY: R.S. 2478; 43 U.S.C. 1201.

SOURCE: 35 FR 9598, June 13, 1970, unless otherwise noted.

§ 2562.0-3 Authority.

Section 10 of the Act of May 14, 1898 (30 Stat. 413, as amended August 23, 1958 (72 Stat. 730; 43 U.S.C. 687a), authorizes the sale at the rate of \$2.50 per acre of not exceeding 80 acres of land in Alaska possessed and occupied in good faith as a trade and manufacturing site. The lands must be nonmineral in character, except that lands that may be valuable for coal, oil, or gas deposits are subject to disposition under the Act of March 8, 1922 (42 Stat. 415; 48 U.S.C. 376-377), as amended, and the regulations of § 2093.4 of this chapter.

§ 2562.1 Initiation of claim.

(a) *Notice.* Any qualified person, association, or corporation initiating a claim on or after April 29, 1950, under section 10 of the Act of May 14, 1898, by the occupation of vacant and unreserved public land in Alaska for the purposes of trade, manufacture, or other productive industry, must file notice of the claim for recordation in the proper office for the district in which the land is situated, within 90 days after such initiation. Where on April 29, 1950, such a claim was held by a qualified person, association, or corporation, the claimant must file notice of the claim in the proper office, within 90 days from that date.

(b) *Form of notice.* The notice must be filed on a form approved by the Director in triplicate if the land is unsurveyed, or in duplicate if surveyed, and shall contain:

(1) The name and address of the claimant, (2) age and citizenship, (3)

date of occupancy, and (4) the description of the land by legal subdivisions, section, township and range, if surveyed, or, if unsurveyed, by metes and bounds with reference to some natural object or permanent monument, giving, if desired, the approximate latitude and longitude. The notice must designate the kind of trade, manufacture, or other productive industry in connection with which the site is maintained or desired.

(c) *Failure to file notice.* Unless a notice of the claim is filed within the time prescribed in paragraph (a) of this section no credit shall be given for occupancy of the site prior to filing of notice in the proper office, or application to purchase, whichever is earlier.

(d) *Recording fee.* The notice of the claim must be accompanied by a remittance of \$10.00, which will be earned and applied as a service charge for recording the notice, and will not be returnable, except in cases where the notice is not acceptable to the proper office for recording, because the land is not subject to the form of disposition specified in the notice.

§ 2562.2 Qualifications of applicant.

An application must show that the applicant is a citizen of the United States and 21 years of age, and that he has not theretofore applied for land as a trade and manufacturing site. If such site has been applied for and the application not completed, the facts must be shown. If the application is made for an association of citizens or a corporation, the qualifications of each member of the organization must be shown. In the case of a corporation, proof of incorporation must be established by the certificate of the officer having custody of the records of incorporation at the place of its formation and it must be shown that the corporation is authorized to hold land in Alaska.

§ 2562.3 Applications.

(a) *Execution.* Application for a trade and manufacturing site should be executed in duplicate and should be filed in the proper office. It need not be sworn to, but it must be signed by the applicant and must be corroborated by the statements of two persons.
